

Please use this form for any **NON WHITE GLOVE*** creative requests. **Be sure to select the correct market in the drop down menu.** You will receive an email when your ticket is successfully submitted.

* includes any account that has not actually signed yet or any signed account that has not been designated as white glove when making the request. (Please check with Danielle, myself and Christine if you want to make an account White Glove or if you do not know if an account has already been designated White Glove)

NOTE – all new Cannabis accounts should be designated White Glove and no creative requests should be sent to Michigan for Cannabis prospects or existing Cannabis accounts
